

EXCELLENT PUBLIC MANAGER SERIES

In the last 15 years, there has arisen a shift in thinking about how we should work in government and non-profit organizations. Part of this is a return to the concept of public service as a vocation. It involves a mindset that recommits to serving citizens first. The Excellent Public Manager promotes the ideals of engaging employees and citizens alike. This series focuses on some of the key skills needed to become a true public service force in the 21st Century.
